## Hawai'i School Bottle Cap Collection Challenge

We've all been recycling plastic bottles for decades, but haven't been able to recycle plastic bottle caps—UNTIL NOW!!!!

Kōkua Hawai'i Foundation in partnership with Method and Preserve present the Hawai'i School Bottle Cap Collection Challenge. All schools in Hawai'i are welcome to participate in this special opportunity to recycle bottle caps AND plastic bottles. The top three schools in four categories will receive a Waste-Free Classroom Celebration Kit complete with cloth napkins, reusable Preserve cutlery, cups, plates, and Method Ocean Plastic dish + hand soap.

### Details

#### Who can participate?

- All schools DOE, Charter, HAIS, K-12, Pre-Schools, Homeschools
- Four categories:
  - Pre-schools
  - Elementary Schools
  - Middle Schools
  - High Schools

#### How it works:

- Schools register online at [www.kokuahawaiifoundation.org/bottlecapchallenge](http://www.kokuahawaiifoundation.org/bottlecapchallenge)
- Kōkua Hawai'i Foundation (KHF) confirms registration and provides details
- February 1 - March 31 schools collect bottle caps
- Schools/Students get the word out and engage their school community
- KHF distributes approved collections bags (only designated FULL bags will be collected and tagged)
- Schools submit collection report using an online form on the KHF website
- Schools document the process and submit photos/video/blogs to KHF for posting
- Schools drop off bags at KHF designated locations

### Awards

- The top three schools in each category who collect and redeem the highest volume of bottle caps win a **Waste-Free Classroom Celebration Kit**. (Twelve kits total)
- The top winning school will receive a **special performance by Jack Johnson**.
- All participating schools will receive acknowledgement and prizes.
- **Winners will be announced on Earth Day, April 22!**

### Contest Dates

**February 1 - March 31**
